

# 2015 Teachers' Tour

## Discovering the Forest Environment!

**Who is it for?** Teachers and guidance counsellors from the Atlantic Provinces.

**What is it?** Dynamic and interactive activities given by forestry professionals.  
An exceptional opportunity to demystify modern forestry and the forest sector.

**When it is?** August 10 – 13, 2015

**How do I register?** You can register at [www.teacherstour.com](http://www.teacherstour.com). The organizing committee will take care of everything else (accommodations, meals, group leadership, etc.). All you need to do is get to Truro!

**Where will I stay?** Participants will stay at the Holiday Inn & Conference Centre, Truro, NS.

### Tour Objectives:

- ✓ To enjoy relevant and interactive experiences in the forest in a relaxed and pleasant atmosphere;
- ✓ To understand the various aspects of modern forestry and its aim to balance benefits for society, the economy and the environment;
- ✓ To get material and a wealth of information for use in the classroom in order to enhance the teaching of science, geography, environmental studies, etc.;
- ✓ To learn about sound forestry practices, woodland operations, the science behind forest management, and resource management planning;
- ✓ To get a first-hand look at the technology and equipment used in forests and mills, and the efforts made to protect water quality and wildlife habitats;
- ✓ To explore the many career opportunities for young people.

*Forests are fascinating!*

### Examples of program activities:

Field trips to managed forests, tours of processing mills, workshops on wildlife and trees, and discussions with forest sector workers!
